

UC Irvine Internal Medicine Residency Training Program
Ambulatory Continuity Rotation PGY1 – 1

Welcome to the first ambulatory clinic block of your PGY 1 year.

On the first day of the block, meet with your ambulatory clinic mentor to review the contents of this packet.

It is your responsibility to complete all the requirements of this block during this block. Make sure everything is turned in at the end of the block. Work with your mentor to make sure that all clinical requirements and evaluations are met.

It is your responsibility to ensure that all of the evaluations, forms and exercises are completed and that every item on the list is returned to Brianne Tsunezumi in the Medical Education Office, City Tower, Suite 400. Completed forms can also be submitted via email to tsunezub@uci.edu or faxed to (714) 456 – 8874.

If you have any questions about these requirements, discuss them with your clinic mentor.

The following is a checklist of items that must be submitted:

- Clinical Skills Evaluation** (2)
- Quality Improvement Project** (Part 1)
- Hopkins Modules** (1/2)
- Procedures Consult** (10)
- Nursing Evaluation** (2)
- Patient Survey** (5)
